HOST AN INTERNATIONAL EXCHANGE STUDENT
----- with *Academic Year in America*

When you welcome a student from Germany, China, Brazil, South Korea or another country into your home, you will:

- ✓ **Learn about another culture**, its customs and language by hosting an international student for 5 or 10 months
- ✓ **Build a relationship with an AYA international student** who will become like a son or daughter to you
- ✓ **Promote international understanding**

AYA students are 15-18 years old, come from over 50 countries, attend high school and have their own medical insurance and spending money. Families are asked to provide meals, a place to sleep and study, and a loving home environment for their student. Hosting an international student is an amazing experience!
