Product Information Sheet

This information sheet is intended to give you a quick overview of the various options available. Please note, however, that this does not contain all of the information relating to your policy. For a full version of the contents of the policy, kindly refer to the terms and conditions of insurance. Each of the following options for insurance cover is only valid if it is explicitly concluded by you, i.e. it is included in the insurance cover selected by you!

What type of insurance is this?

The CISI Insurance Plan is a travel insurance product that is valid for a limited period while you are outside your Home Country. The scope of the insurance and the individual benefits associated with your policy are determined by the insurance plan you select.

What is the scope of your insurance cover?

a) Travel Health/Accident Insurance

This includes treatment by a doctor, treatment in hospital and medication. For a full description of the cover provided, please refer to section "Travel Health/Accident Insurance".

b) Travel Accident Indemnity Insurance

If you purchase the Travel Accident Indemnity benefit, the plan will pay a one-time sum if you suffer permanent disability as a result of a covered accident. For a full description of the cover provided, please refer to the section "Travel Accident Indemnity Insurance".

c) Travel Assistance Insurance

If your insurance plan includes Travel Assistance Insurance the Insurer covers expenses for transport and accommodation for close family members, in the case you are hospitalized due to a life-threatening condition or you will be hospitalized as an inpatient for a certain period of time. For full description of Travel Assistance Insurance please refer to section "Travel Assistance".

d) Travel Luggage Insurance

If You purchase the Travel Luggage Insurance benefit this plan will cover checked lost or damaged luggage or if luggage is lost or damaged as a result of theft, fire or elemental occurrences. For a full description of the cover provided please see section "Travel Luggage Insurance".

e) Travel Third Party Liability Insurance

If your insurance policy includes a Travel Third Party Liability Insurance, you are covered during your journey against the dangers of everyday life for which you are responsible and must therefore remunerate others. In such cases the Insurer not only regulates the damages, but also checks whether, and to what extent, a compensation liability exists. Unjustified claims for compensation are reviewed and managed by the Insurer on your behalf and, to this extent, the plan also provides legal protection in case of unjustified liability claims. For a full description of the cover provided, see section "Third Party Liability Insurance".

What do you have to note in connection with the payment of premiums?

Premiums due for the policy shall be remitted to CISI in advance of the effective date per the premium basis and rates. Payment of the premium must have been received in full by CISI prior to the effective date per the premium basis and rates.

What is not insured?

Some events are excluded from insurance cover. For example, no insurance cover exists for the following in all fields: If the policyholder or the Insured has willfully instigated the event covered by the insurance.

- In connection with the Travel Accident Indemnity Insurance: For accidents in which drunkenness or drug consumption played a role. Accidents caused by mental disorders or impairment of consciousness.
- In connection with the Travel Luggage Insurance: Cash/money, securities, tickets and documents of any and every kind and jewelry/valuables left in check-in luggage and in parked vehicles.

- In connection with the Travel Third Party Liability Insurance: For damage to lent, leased or rented items or property of the host family.

Additional exclusions apply. Please refer to the section for General Limitations and Exclusions to see the full details.

What obligations do you have to fulfill if an event covered by the insurance occurs?

Make sure that the damage incurred remains as small as possible. Avoid everything that might lead to an unnecessary increase in costs. Notify the Insurer immediately about the damage incurred. For further obligations, please refer to "General Obligations & Provisions" and "General Obligations & Provisions for the Personal Liability Benefit".

What are the legal consequences if you fail to meet your obligations?

Very important: If you violate your obligations, the Insurer is entitled to reduce the benefits due by an amount corresponding to the gravity of the violation. This can even lead to a complete loss of insurance cover. For more details in this connection, please refer to "General Obligations & Provisions" and "General Obligations & Provisions for the Personal Liability Benefit".
